MID-AUTUMN FESTIVAL

2026

Moonlit Magnolia

The year 2026 marks a remarkable milestone as Hanoi Daewoo Hotel celebrates 30 years of hospitality excellence and culinary prestige in the heart of the capital.

“For three decades, the hotel has stood as a landmark of timeless tradition, finest craftsmanship, and cherished memories shared across generations.”

To honor this enduring legacy, Hanoi Daewoo Hotel proudly presents Moonlit Magnolia – an exclusive Mid-Autumn collection designed to convey heartfelt wishes of harmony, prosperity, and happiness to those who matter most.

Drawing inspiration from the pure beauty of white magnolia blossoms illuminated beneath the Mid-Autumn moon, the collection embodies grace, refinement, and timeless sophistication. Available in three vibrant colorways, each gift box is meticulously crafted with an embossed magnolia pattern to create a striking yet sophisticated look. As a finishing touch, a bespoke leatherette jade rabbit charm reimagines this beloved festive symbol through a contemporary lens, preserving its cultural significance while lending it a fresh, modern character, reflecting the abundance, balance, and fulfillment that define the Mid-Autumn Festival.

From the elegant Silver box to the luxurious Diamond box, every detail has been thoughtfully curated to transform each gift into a meaningful gesture of appreciation.
